Clinical make up is only available to those who provide proof of an excused absence. All excused clinical absence must be made up and will be an additional fee of \$30 per make up hour. Missing 10 or more hours of the course will result in termination from the program.

Criminal Record Policy:

In the event that an applicant has a positive criminal record they must disclose it on their application. The applicant will be asked to provide details in writing, to the Program Coordinator, regarding the charge(s) including the date(s) of the event(s) and circumstances surrounding the incident(s). The Program Coordinator will determine acceptance or denial of the individual into the program. If acceptance is granted, a consent form will be provided for the applicant to sign prior to admission into the program. All students enrolled in the LNA training program at LNA Health Careers will be required to complete a NH State Police criminal background check on their first day of class. Falsifying information on the application can and may result in termination from the program.

Individuals with a positive criminal record may have difficulty finding gainful employment in the healthcare field and may not be eligible for licensure. Because of this, LNA Health Careers has adopted a strict criminal record policy and each applicant with any prior convictions will be evaluated on a case by case basis. However, individuals with any felony convictions **will not** be accepted into the program.

Individuals with a positive criminal record will not be eligible to enroll in any class sessions where clinical is held at Pleasant View Genesis in Concord. The facility does not allow students to train in their building if they have a violation, misdemeanor or felony.

All individuals wishing to obtain licensure from the NH Board of Nursing upon graduation will be required to complete an additional criminal background check that includes FBI fingerprint technology.
