Dear _____ **(print applicant name)**,

Thank you for your interest in the LNA program with LNA Health Careers! Based on the information you provided on your application, we recognize that you are under the age of 18. Please be aware that Federal Child Labor Laws prevent any one under the age of 18 years from using mechanical lifts. These lifts are widely used in most facilities. As a result most employers will not hire LNAs under the age of 18.

LNA Health Careers can provide educational training to you, and the NH Board of Nursing will issue you a license, however it will be very difficult to secure employment as an LNA while you are under 18. LNA Health Careers cannot guarantee the ability for you to find gainful employment in the healthcare industry.

If you'd like to move forward with the application process, please print this consent form, have a parent or legal guardian fill out the bottom section, and return it to the Admissions Office.

Sincerely,

Shelly Ling, RN
Director
