Dear Nursing Assistant Candidate,

Thank you for your interest in the Licensed Nursing Assistant (LNA) program at LNA Health Careers! Our LNA program was designed with **quality** in mind. Employers trust that graduates from LNA HC are well trained and well prepared to enter the workforce as an LNA. Enclosed is the information you requested. Included are:

The Application: Fill out all fields and send it back to us with the pretest (and financial agreement/payment if you wish to reserve a seat in a specific class).

The Pre-test: Is a required pre screening to measure basic reading comprehension and math skills. If English is not your primary language you may be asked to complete an additional comprehension evaluation.

The Financial Agreement: If you wish to make a partial deposit of \$450 to reserve your seat in class, please complete the enclosed financial agreement with your payment. (A deposit of \$850 does not require a Financial Agreement)

The Schedule: Find the class that best fits your own schedule, and then write it on the application for quicker processing.

Financial Assistance Options: If you are in need of financial assistance, refer to our list of financial assistance options to get you started.

Spaces are limited and are offered on a first come first served basis; therefore we strongly encourage you to complete the process quickly.

The total cost of the program is \$1,650* which includes all of your class supplies, tuition, criminal record check and registration fee. ***Your State Exam is Free**!*** ***You will also get same day test results.*** In order to reserve your space in class a registration fee and tuition deposit totaling \$450 must be received in the office along with the necessary application, pre-test and financial agreement. From there, a \$400 tuition payment would then be due by the first day of class and the balance of \$800 due one week prior to graduation. Or, you may choose to pay the entire deposit of \$850 where no financial agreement is needed, with the balance of \$800 due one week prior to graduation. Included in this packet is information on financial assistance options that are available. Please know that these methods can take several weeks, so you should start the process as soon as possible.

Students are required to provide a negative TB reading or negative chest x-ray dated within the past year. You will be required to provide a copy of the results to your teacher on your first day of class. There are several places students may go to receive a TB test for a small fee (\$15-\$60), call our office or visit our website for locations. You may also go to your Primary Care Physician.

A uniform consisting of navy blue scrub pants, an all white scrub top, white shoes and watch with a second hand is required for class including the first day of class. You may purchase these at any uniform store.

Please feel free to call us at 603-647-2174 if you have any questions about the program, enrollment, or locations of the training facilities. Our admissions staff is always available to help you throughout this process and we want you to have a great experience! ***(Please do not call the facilities directly as we contract with them and do not have offices at their sites.)*** We will call you once we receive your application and pre-test. We look forward to helping you start on your way to a rewarding career in healthcare!

Sincerely,

Shelly Robinson, RN
Director of LNA Health Careers, LLC

*The State of NH will reimburse 100% of the tuition cost once a license has been issued and the LNA is working in a long-term care facility. Criminal record fees are not reimbursable.

**The state exam is free unless a retake is needed.

LNA Health Careers Attendance, Refund & Criminal Record Policies and Class Requirements

Attendance:

Our expectation is that students will come to class prepared, on time and as scheduled. A class calendar will be provided to each student upon registration. Leaving early/coming in late more than 2 times for any reason will result in progressive discipline. Proof of an excused absence is required for ANY missed time. An excused absence consists ONLY of (1) a Doctor's note, (2) vehicle accident report, (3) pre-approved court date, (4) death in the immediate family. Any missed clinical time must be made up. Clinical make up is only available to those who provide proof of an excused absence. All excused clinical absence must be made up and will be an additional fee of \$30 per make up hour. Missing 10 or more hours of the course will result in termination from the program.

Refund Policy:

Our refund policy follows the Department of Education's Office of Career School Licensing rules (PART HEDC 307 REFUNDS). ***The \$150 registration fee is non-refundable and non-transferable.*** Refunds are based on the amount of program hours offered at the time of withdrawal. LNA Health Careers will retain the registration fee of \$150. The \$125 supplies fee and \$25 criminal record fee is non-refundable once supplies have been received and criminal record check has been processed. In addition, there is a \$200 administrative fee assessed to **all** withdrawals/terminations after the 1st day of class. A student who withdraws before completing 50% of the program (55 hours) shall be entitled to a pro rata refund based on the tuition fee of \$1350. ***Withdrawing before the class begins once registration is final and complete, will result in forfeiture of \$150 registration fee, or in the event of sponsorship, will result in a bill for \$150 registration fee.***

The applicant will be asked to provide details in writing, to the Program Coordinator, regarding the charge(s) including the date(s) of the event(s) and circumstances surrounding the incident(s). The Program Coordinator will determine acceptance or denial of the individual into the program. If acceptance is granted, a consent form will be provided for the applicant to sign prior to admission into the program. All students enrolled in the LNA training program at LNA Health Careers will be required to complete a NH State Police criminal background check on their first day of class. Falsifying information on the application can and may result in termination from the program.

Individuals with a positive criminal record may have difficulty finding gainful employment in the healthcare field and may not be eligible for licensure. Because of this, LNA Health Careers has adopted a strict criminal record policy and each applicant with any prior convictions will be evaluated on a case by case basis. However, individuals with any felony convictions **will not** be accepted into the program.

Individuals with a positive criminal record will not be eligible to enroll in any class sessions where clinical is held at Pleasant View Genesis in Concord. The facility does not allow students to train in their building if they have a violation, misdemeanor or felony.

All individuals wishing to obtain licensure from the NH Board of Nursing upon graduation will be required to complete an additional criminal background check that includes FBI fingerprint technology.
